2022 Robotics World Championship Fund

Achievements

- 2022 ECU and State Championship Engineering Inspiration Winners
- 2022 ECU District Winner
- 2020 County Event Finalist and Engineering Inspiration Winners
- 2019 District Event and Chairman Winners
- 2018 State Finalists
- 2017 State Champions

Through our incredible hard work and dedication, we have qualified to compete at the FIRST World Championship in Houston, TX. Due to COVID-19, our team has been low on funding this year. We are looking for support to cover our travel, lodging, and food costs during our week to and from Houston.
